January/February 2015

Dear Homeowners,

I hope everyone has had a Happy Holiday Season and that you and your families are enjoying the New Year. 2015 has begun and it is starting off as a busy one. The January Board Meeting and Annual Election of Board Members took place at the pavilion on January 13th. Offices were voted upon with Sharon Savastio serving as Vice-President, Rich Folio as Treasurer, Dawn Salazar (our newest Board Member.... Congratulations!!), serving as Secretary, Darren Knight as Director, Steve Grigsby as Alternate Director, Charity Clifford as the Second Alternate Director and myself as President. The Board would like to thank everyone that got involved by voting and are looking forward to serving the community of Windover Farms this upcoming year.

Congratulations to the Winners of the Publix gift cards. George and Florence Downey at 4256 Turtle Mound Rd. won the 2014 Holiday Decorating Contest. Gerald and Patricia Cardile won the door prize drawing at the January Board Meeting.

The New Year will bring some changes to the community including an updating of the landscaping and irrigation systems to the entrance at Post Road and Turtle Mound. We have taken into consideration the homeowners comments regarding the main entrance at Windover Way...and yes those portable planter boxes will finally be removed. This project is on the calendar to begin in March, so please be patient and excuse the temporary appearance while this make-over is in progress.

Just a little reminder, monthly Board Meetings are held on the Second Wednesday of every month. Whether you have an issue that needs to be addressed or just want to see what is going on in the community, we encourage and welcome your attendance. We currently have vacancies on the Architectural Review Committee, also known as the ARC. The ARC is a resident volunteer group that meets on the Third Tuesday of each month. They are responsible for reviewing applications for homeowner improvements and changes such as roof replacements, painting, tree removal, and fence installations. If you have any experience in the construction business or if maintaining your property is a hobby that you enjoy, and you are available to attend the monthly meeting please submit a short Bio to the office.

I am looking forward to serving the community again and working with the Board in 2015. Until next month enjoy the cooler sunny days.

*Susan Lynch
